**POSITION TITLE:** Geologist/Hydrogeologist I

**POSITION LOCATION:** Davis, California

**POSITION DESCRIPTION:**

West Yost Associates seeks a talented and motivated geologist or hydrogeologist looking for diverse experiences in groundwater investigations, well design, and well construction. Candidates with entry level experience and a desire to develop their career toward a project hydrogeologist/manager role with expanded client duties and professional responsibilities are ideal. Responsibilities include field work involving multi-day travel to diverse project sites in California and neighboring states, work around drill rigs and other mechanized equipment, and moderate physical exertion in a wide range of weather conditions.

**DUTIES:**

Under direction, assists in executing field groundwater studies in support of groundwater supply and remediation projects. Responsibilities will include the following;

- Prepares a variety of plans and specifications related to hydrogeological field activities,
- Performs field inspections (conduct geologic borehole logging and assist in final well design),
- Oversees construction projects (monitoring wells, production wells and aquifer storage and recovery wells, conduct well performance and aquifer testing, collect water samples, oversee well rehabilitation, troubleshooting),
- Analyzes complex data (identify data anomalies, interpret data, create representative graphs, contour data, evaluate aquifer test data), and
- Prepares a variety of reports (work plans, well construction summaries, tables, maps, graphs, as-built and cross-sectional drawings).

**DESIRED MAJORS:** Civil Engineering

**MINIMUM QUALIFICATIONS:**

Bachelor's degree in geology, hydrogeology or civil engineering with a groundwater emphasis. Candidates must have knowledge of geologic and hydrogeologic processes and principles; groundwater chemistry and aquifer properties. Qualified candidates with up to 5 years of related working experience will be considered.

**POSITION TYPE:** Entry Level Engineer (ELE)

**HOW MANY HOURS PER WEEK:** Full-time

**SALARY, WAGE, AND/OR BENEFIT INFORMATION:**

West Yost offers the standard benefits most employees would expect as well as a few that are quite unique. These unique benefits include:

- Excellent Medical, with a choice of two different plans, dental/vision benefits for full- and part-time (20+ hours/week) employees and their families
- Excellent short & long-term disability, long-term care, life insurance, and AD&D insurance.
- Employee Assistance Program (EAP)
- Gym Membership Assistance
- Profit Sharing & 401(k) Plan
- Company Vehicles and Cell Phones
- Generous Vacation for full-time Employees
- Generous Sick Leave
- PTO for Part-Time Employees
- Flex Time Schedules
- Floating Personal Holiday
- Continuous Review of West Yost Benefits Package
