POSITION TITLE: Junior Engineer

POSITION LOCATION: Crystal Bay, NV

POSITION DESCRIPTION:
Zachary Engineering is currently seeking a candidate to create structural engineering plans using SketchUp, AutoCAD, and Civil3D. Starting pay is to be based on professional experience, demonstrated software experience, class standing, structural engineering coursework, and overall academic performance.

PREFERRED QUALIFICATIONS:
• Must have working knowledge and experience in SketchUp, AutoCAD, and Civil3D or must be willing to learn the programs on their own time
• Proficiency in Excel and Word is a must
• Applicants should have already passed the FE Exam, or be scheduled to take it, and be working towards passing the PE Exam

HOW TO APPLY:
Interested applicants should email their resumes and cover letters to David Zachary at david@zetahoe.com.
