POSITION TITLE: Intern

POSITION LOCATION: Elko, NV

DESIRED MAJOR: Mechanical Engineering

POSITION DESCRIPTION:

Be part of a twenty-first century mining company.

Our vision is the generation of wealth through responsible mining — wealth for our owners, our people, and the countries and communities with which we partner.

We aim to be the leading mining company focused on gold, growing our cash flow per share by developing and operating high quality assets through disciplined allocation of human and financial capital and operational excellence.

By joining Barrick, you'll be a valuable member of a friendly, diverse and high-achieving team. Our commitment to supporting career aspirations means genuine opportunities for a rewarding and exciting career that only a world-class gold mining company can provide.

Barrick's successful track record in developing mines and bringing them into operation demonstrates best-in-class technical expertise. Barrick professionals are tops in their fields, so you will learn from and work with the best.

Our interns in Nevada will have an opportunity to complete challenging and rewarding projects in their field of study, working side by side with our professionals in the field. By applying for an internship opportunity, you may be considered for an internship at our Cortez District, Goldstrike Operations or Turquoise Ridge mine.

QUALIFICATIONS:

In order to be considered for an internship with Barrick, you must meet all of the following:
• Must be able to complete an internship lasting a minimum of ten (10) weeks between May 1 and September 1, 2018.
• Must enrolled in school for the Fall 2018 semester (proof of enrollment required).
• Must have a cumulative GPA of 3.0 or higher (transcripts required).
• Must be able to pass Barrick’s pre-employment physical, which includes drug and alcohol testing as well as metals testing (where applicable).

HOW TO APPLY:
Contact DeDe Barker at (775) 934-6054 or dmbarker@barrick.com.
