POSITION TITLE: Public Service Intern Program

POSITION LOCATIONS: Carson City, Elko, Ely, Las Vegas, Reno, and Tonopah, NV

POSITION DESCRIPTION:
The Nevada Department of Transportation is seeking college students to participate in the Public Service Intern Program for the summer of 2018. Public Service Interns receive training and complete a variety of assignments in staff activities directly relating to their major course of study while enrolled in an educational institution. Incumbents perform in a trainee capacity and acquire the knowledge, skills, and abilities required in this occupation. Incumbents work as temporary employees for the Department of Transportation in a student capacity. The emphasis of the summer internship program is civil engineering. Work assignments will vary as an intern progresses in class standing. Program duration is from May 21, 2018, through August 17, 2018.

QUALIFICATIONS:
- Graduation from high school or the equivalent and enrollment and continued successful performance in an academic program related to the field of employment at an accredited college or university
- Employment is not to exceed six months from the data of graduation
- Valid driver’s license or evidence of equivalent mobility is required at the time of appointment and as a condition of continuing employment
- Copy of transcripts showing current enrollment and continued successful performance in an academic program related to the field of employment at an accredited college or university in the desired field of study must be attached to application at the time of submittal

HOW TO APPLY:
Interested applicants should apply online.
