POSITION TITLE: Civil Engineer I

POSITION LOCATION: Redwood City, CA

POSITION DESCRIPTION:
BKF Engineers provides engineering, surveying, and land planning services for architects, commercial, and residential developers, colleges and universities, cities and countries, governmental agencies, hotels, health care facilities, and large corporations. BKF Engineers has an immediate opening for an entry-level civil engineer with strong technical abilities, experienced in public works or land development project design and able to work with a team of engineers on small and large projects. Assignments may consist of geometric calculations, plotting cross-sections, hydraulics calculations, site grading calculations, storm water quality calculations, cost estimating, plotting, computer and CAD systems usage, and research/data collection from public agencies.

MINIMUM QUALIFICATIONS:
- Bachelor’s degree in Civil Engineering or related field from an ABET accredited curriculum or equivalent plus appropriate continuing education
- EIT and LEED AP preferred
- AutoCAD Civil 3D experience
- Between one and three years of experience after graduation
- Must have strong communication skills and be team-oriented

SALARY INFORMATION: Hourly wage of $33 per hour

HOW TO APPLY:
Interested applicants should apply online.
