

Northern Nevada HOPES

<https://www.nnhopes.org/>

POSITION TITLE: IT Intern

POSITION LOCATION: Reno, NV

DESCRIPTION:

Northern Nevada HOPES is a nonprofit community health center in downtown Reno, NV that offers integrated medical care and wellness services. We welcome patients, wherever they are in life, and provide them with compassionate, high-quality healthcare.

Northern Nevada HOPES is looking for an IT Intern that will work with the system administrator and IT support specialist on day to day issues in real time. Essential duties and responsibilities include, but are not limited to:

- This intern will learn how to setup a healthcare network environment.
- Design the network architecture to support a high availability design while working on data retention using healthcare best practices.

REQUIRED QUALIFICATIONS:

- This person should be comfortable with Microsoft product suite and a basic knowledge of PC hardware and comfortable with multitasking.

DESIRED QUALIFICATIONS:

- Experience working in healthcare informatics preferred.

HOW TO APPLY:

Interested applicants should send a resume to Rebecca Reyes at rreyes@nnhopes.org.
