Baker Hughes, a GE Company

www.bhge.com

POSITION TITLE: Packaged Systems Design Engineer

POSITION LOCATIONS: Minden, NV

POSITION DESCRIPTION:

Baker Hughes, a GE company (NYSE: BHGE) is the world’s first and only fullstream provider of integrated oilfield products, services and digital solutions. Drawing on a storied heritage of invention, BHGE harnesses the passion and experience of its people to enhance productivity across the oil and gas value chain. BHGE helps its customers acquire, transport and refine hydrocarbons more efficiently, productively and safely, with a smaller environmental footprint and at lower cost per barrel. Backed by the digital industrial strength of GE, the company deploys minds, machines and the cloud to break down silos and reduce waste and risk, applying breakthroughs from other industries to advance its own. With operations in over 120 countries, the company’s global scale, local know-how and commitment to service infuse over a century of experience with the spirit of a startup – inventing smarter ways to bring energy to the world. Follow Baker Hughes, a GE company on Twitter @BHGECo, or visit us at BHGE.com.

As a packaged systems design engineer, you are a key member of the project engineering team. You will design standard and custom cabinets for Bently Nevada products for customer projects. You will partner with project managers, sourcing, supply chain and services.

DESIRED MAJORS: Electrical Engineering, Mechanical Engineering

DESIRED QUALIFICATION:

To be eligible for this program, you must have:

- Minimum 3 years of experience with machinery monitoring systems or industrial controls
- Minimum 3 years of experience designing electrical or mechanical parts, assemblies and products
- Understanding of industry electric codes, such as NFPA 70 and UL 508a
- CAD proficiency, especially AutoCAD
- Proficiency with Microsoft Office tools
- Experience with SAP ERP
- Demonstrated adherence to project schedules and budget
- Collaborative experience with local and remote teams

ELIGIBILITY REQUIREMENTS:

- Travel 5% of the time to industrial sites or remote offices, as required
- GE will only employ those who are legally authorized to work in the United States for this opening.
