Wells Rural Electric Company
www.wrec.coop

POSITION TITLE: Electrical Intern

JOB LOCATION: Wells, NV

POSITION DESCRIPTION:
Wells Rural Electric Company is seeking a 2019 Summer Electrical intern. The position will assist in performing engineering studies, calculations, design documents, and other tasks associated with the operations and maintenance of the electrical distribution system. The successful candidate will work with the company engineering department to assist in engineering studies, inspection and maintenance of substation equipment, protection and control equipment, and distribution equipment.

PREFERRED QUALIFICATION:
- Completed about 3 years in an accredited program with emphasis in the skill sets we are seeking, with a GPA of 3.0 or higher.
- Be proficient in the use of personal computers and software such as Microsoft Office Outlook, Microsoft Office Word, and Microsoft Office Excel. Other specialized software experience may be desirable.
- Possess a valid driver’s license.
- Be able and willing to report to work at the Wells Office (or other desired location in WREC’s service area).
- Be able and willing to work inside a professional office environment requiring business casual dress.
- Be willing to undergo a pre-employment physical examination, which will include alcohol and drug testing.
- Be able and willing to work weekends and holidays as required.

WAGE INFORMATION: $26 an hour

DESIRED MAJORS: Electrical Engineering

HOW TO APPLY: Email resume to jelquist@wrec.coop
