POSITION TITLE: Environmental Intern

JOB LOCATION: Lower Lake, CA

POSITION DESCRIPTION:

Barrick is seeking an Environmental Engineer or Mechanical Engineer Intern. Barrick's successful track record in developing mines and bringing them into operation demonstrates best-in-class technical expertise. Barrick professionals are tops in their fields, so you will learn from and work with the best. Our interns will have an opportunity to complete challenging and rewarding projects in their field of study, working side by side with our professionals in the field. By applying for an internship opportunity, you may be considered for an internship at our McLaughlin closure site.

REQUIRED QUALIFICATION:

- Must be able to complete an internship lasting a minimum of ten (10) weeks between May 1 and September 1, 2019.
- Must be enrolled in school for the fall 2019 semester (proof of enrollment required).
- Must have a cumulative GPA of 3.0 or higher (transcripts required).
- Must be able to pass Barrick's pre-employment physical, which includes drug and alcohol testing as well as metals testing (where applicable).

HOURS PER WEEK: 40 hours per week

WAGE INFORMATION: Dependent on experience

DESIRED MAJORS: Environmental Engineering & Mechanical Engineer
