**POSITION TITLE:** Staff 1, Associate Engineer

**JOB LOCATION:** Carson City

## **POSITION DESCRIPTION:**

Staff Associate Engineers perform professional engineering assignments not requiring licensure by the State Board of Professional Engineers & Land Surveyors. Incumbents possess a degree of knowledge and proficiency sufficient to perform work independently with little or no additional training.

This position is located within the Hydrology Section of the Nevada Division of Water Resources in Carson City. Incumbent is primarily responsible for being part of a section team that performs hydrologic investigations, water use inventories, evaluation of water rights applications, and collection of a variety of groundwater and surface water data. The position assists in the development and maintenance of the statewide pumpage database. This position requires extensive field work in areas throughout Nevada. \*\*\* THIS RECRUITMENT MAY CLOSE AT ANY TIME BASED ON THE AMOUNT OF APPLICATIONS RECEIVED. QUALIFIED APPLICANTS ARE ENCOURAGED TO APPLY AS SOON AS POSSIBLE. \*\*\*

## **MINIMUM QUALIFICATION/REQUIREMENTS:**

In order to be qualified, you must meet the following requirements:

- Certification by the Nevada State Board of Professional Engineers and Land Surveyors as an Engineer Intern; OR Bachelor's degree from an accredited college or university in civil engineering or a closely related engineering field; OR two years of journey level technical experience equivalent to an Engineering Technician III in Nevada State service; OR an equivalent combination of education and experience.
- Requires a valid driver's license or evidence of equivalent mobility at the time of appointment and for continuing employment.

**DESIRED MAJORS:** Civil Engineering
