POSITION TITLE: S.T.E.M teacher

JOB LOCATION: Reno/Sparks, NV

POSITION DESCRIPTION:
Bricks4kidz are looking for people who love to work with kids and would like a part-time job teaching S.T.E.M as part of the Bricks 4 Kidz team. Bricks 4 Kidz is a world-wide franchise that teaches children science & engineering concepts using LEGO bricks in a fun environment. Bricks 4 Kidz offers after-school classes, in-school workshops, school break camps, and birthday parties with LEGO-themed kit builds and crafts. We are looking for a few good teachers to help us teach in these programs.

Applicants must be good with children and must pass a background check. You also must have your own, reliable transportation. (You will be required to get yourself to locations throughout the Reno/Sparks area to teach.) Familiarity with tablets, laptops, Mindstorm and Frames software a plus. Applicants with previous education experience and/or child care experience is also desired. This job posting is for part-time only.
Bricks4kidz after school classes are taught from approximately 2:30pm to 5:30pm in schools all around the Reno/Sparks area. During school breaks, we will run partial and/or full day camps from 8am to 3pm. You will be required to support some of these time periods, multiple days per week. (As this is a part time job, we can work around other job schedules and time commitments. But, the more you can be available during these time periods, the more valuable you would be to us as a potential employee.) Must be reliable, dependable and punctual.

QUALIFICATION:
